Dear Families,

Thank you for being a part of our Skyridge Middle School athletic program. We are thrilled to begin our season and give our athletes a worthwhile, competitive experience.

As we begin our season, we are always looking for ways to be more efficient. With this in mind, we would like to implement a system for return trips from games. Because most parents attend the games, very few athletes (sometimes none), return on the bus.

This is very expensive and greatly affects our limited resources. If parents are transporting from game sites filling out this form will help us determine the need for a return bus. A bus will be provided round trip if needed.

Below you will find several lines, please list the names of parents your athlete may ride with for return trips. We will keep this on file, and they will sign your child out after each game if you are unable to attend.
